Science Trek 2017

For almost three decades, Science Trek™ has served as a gateway for young scientists to learn more about their natural world.

3rd-5th graders are invited to explore new frontiers with an overnight adventure hosted by the Idaho Museum of Natural History and Idaho Public Television.

Join us Friday, April 28th for a one-of-a-kind experience working with premier scientists and sleeping among the exhibits. All trekkers receive an official ST17 T-Shirt and get sneak peeks into the exciting fields of Science, Technology, Engineering, and Mathematics (STEM).
